### THE BLUE RIDGE DISPATCH

POSSIBILITY OF FAST FREIGHT ON GREENBRIER DIVISION

Owing to the overworked condition of the main line of the C. & O. on the mountain divisions, an official went over the Greenbrier Division last week to report on the advisability of a new line of east bound freight trains to be handled over the division in this valley, and by the Western Maryland Railroad east to Baltimore, and to be known as the Blue Ridge Dispatch.

If this should materialize possibly as many as two hundred car loads of freight would be handled over the line through this town per day. It would include all freight, that called for quick delivery on account of its perishable nature or for any other reason.

The Greenbrier Division has been greatly improved and put into splendid condition within the last few years and with the exception of some rail that would be replaced by heavier iron the track is in condition to carry the proposed traffic. In fact, this division is said to be in better condition so far as a great amount of its mileage is concerned than much of the track of the C. & O. of Indiana.

The Western Maryland is in splendid condition also, but it is handicapped by one heavy grade between Durbin and Elkins that limits the length of its trains to about 14 cars, but this could be overcome by a helper engine on that particular grade.

Labor is a question with railroads at this time owing to the general scarcity, and to the enlistment of many young railroad men in the army. In the middle west there are already section gangs composed wholly of women with the exception of the section boss. These women so far are of European birth.

District conference is in session this week in Hinton. Mr. and Mrs. F. M. Sydnor and daughter, Miss Rebecca are in attendance.

### KNAPPS CREEK

Farmers will soon be through hay-making and ready for threshing. Julian Lockridge is putting up hay for M. F. Herold.

Mrs. Lucy Malcomb returned from Durbin last week, where she had been visiting her brother, Dr. C. B. Collins.

Mr. and Mrs. James H. Gunn, of Portsmouth, Va., are here visiting friends and relatives.

Miss Cunningham, principal of the Cass school, passed through this section recently selling books.

Misses Georgia Sharp and Ruby Mann, and Reed Moore of Edray, and N. W. Pritchard of Marlinton, spent Sunday at J. C. Harper's and Mrs. Pritchard's.

Miss Johnson gave a canning demonstration at Wise Herold's last week.

T. C. Malcomb and son Claud have purchased a Briscoe car.

Miss Lillian Cleek has been visiting her sister at Hillsboro.

Rev. Leggett recalled his appointment at Mt. Carmel last Sunday on account of quarterly meeting at Bethel.

Prof. A. L. Herold and wife of Cincinnati, are spending some time at the home of Wise Herold.

The meeting conducted by Evangelist W. A. Grogg, at the Draft, closed Wednesday night the 21st inst. The meeting had been in progress for nearly three weeks, attended by immense crowds of people, who gave earnest attention to the strong appeal of the Evangelist to seek salvation. Wonderful demonstrations of the awakening, quickening and converting power of the Holy Ghost were manifested. Thirty-nine conversions were reported, nineteen of whom were united with the church and more to follow. It is worthy of note that the hospitality of the people was generous, the offerings large, and it is to be hoped that much permanent good was accomplished.

Carl E. Bailey, while shifting cars on the Mt. Lick Yard, fell beneath the train and had one leg cut off below the knee, and the other foot badly mashed last Friday evening. He was hurried to the Marlinton Hospital in an automobile, and is now doing very well. His leg was amputated below the knee, and half of the other foot taken off. He was broken-hearted and was unable to get up and married. Until recently he had been employed in the machine cars.
